

# **Minutes of the East Anglian Cyclemotor Club committee meeting**

**The Ramsholt Arms  
10 April 2011**

## **Opening**

The meeting opened at 12:40pm

## **Present**

Mark Daniels, Paul Efreme, David Evans, Carl Harper, Andrew Pattle.

## **Apologies for Absence**

None.

## **Minutes of previous meeting**

The minutes of the meeting on 2<sup>nd</sup> January 2011 were confirmed as a true and accurate record

## **Matters arising from the minutes**

The Regalia stock has been transferred to Guy Bolton. There were some extra badges not itemised at the previous meeting, making the final cost £565.

There has not been any progress on the machine badge yet.

**AP/MD**

Nick Bence-Jones has been contacted about the 30<sup>th</sup> anniversary rally but the plans are not confirmed yet.

There has been no response from the membership to the request for suggestions for spares. MD cited 16-inch rims as an example of the type of thing we could produce. No one stocks these. The cost of having a batch made would be around £1,500.

No progress has been reported on the proposed long-distance run. AP said he had received other suggestions: a cyclemotor-only run, an event in the North West. The committee would like to see these go ahead but they all depend on someone volunteering to organise them. This will be mentioned in the next issue of The MAC.

**AP**

## **Treasurer**

The current balance at the bank is £572.68.

## **Secretary**

Membership has now reached 388. The secretary circulated a summary of machine data put on the club register in the last 12 months – 294 machines in all.

## **Any other business**

We have been invited to display at Felixstowe Motor Cycle Show on 26 June. This will cost £40. It was agreed to do this. MD stated that *IceniCAM* would pay half the cost.

Another new motor cycle show is being set up at Stonham Barns this summer. We would like to take part but this depends if enough volunteers come forward to bring machines and man the stand.

It was suggested that it would be a good idea to make sure that a first aid kit is available at runs – preferably in the recovery vehicle. AP will add this to the run guidelines.

**AP**

### **Close of meeting**

The meeting closed at 1:05pm
